WORK EXPERIENCE

LONGEVITY & HEALTH OPTIMIZATION SPECIALIST

DEXA+ — Romeo, MI (Remote)

November 2025 – April 2026

- DEXA+ is a health and wellness company providing precision diagnostics and recovery technologies, including DEXA body composition analysis, VO₂ and RMR metabolic testing, Red Light Therapy, and Hyperbaric Oxygen Therapy.
- Drive sales and business development by identifying and reaching out to clinics, wellness centers, and health professionals as prospective customers and partners.
 - Represent the company to the public and the professional community, presenting and educating audiences on DEXA+ technologies and their benefits.
 - Translate diagnostic data into clear, actionable recommendations for practitioners and clients.
 - Build and manage ongoing partner relationships to expand the company's reach across the health and wellness market.

SALES DEVELOPMENT

ASPINA Inc. (Shinano Kenshi)

June 2022 – October 2025

- ASPINA manufactures brushless DC motors and motor-based components, with core competencies in high-precision actuation, module and system development, and manufacturing. My focus is developing and growing business in the medical device, robotics, and space application markets.
- Exceeded sales targets, MBOs, and KPIs in each fiscal year of employment.
 - Established a partnership with an NIH-funded researcher at a renowned university and negotiated a contract to build the first prototypes of a new respiratory medical device technology for use in clinical trials.
 - Implemented sales processes including contact mining, lead generation, prospecting, and automated email campaign outreach using new CRM tools.
 - Designed KPI metrics for measuring the efficiency of marketing and sales tactics.
 - Created and manage a robust customer funnel.
 - Aligned with business units on product technology to create compelling messaging that resonates with potential customers.
 - Conducted research to identify new markets.
 - Managed trade show strategy including booth design, product demos, and pre- and post-show marketing campaigns.

GLOBAL AUTOMOTIVE ACCOUNT MANAGER

Nexperia

March 2020 – June 2022

- Nexperia is a global semiconductor manufacturer.
- Achieved and exceeded quarterly and yearly sales targets, exceeding targets by 400% in the first half of 2022.
 - Built strong relationships through weekly and daily face-to-face customer meetings, providing support, updates, and new business opportunities.
 - Established Nexperia as a trusted advisor to the account.
 - Developed strategies to maximize sales and profit at the account.
 - Took ownership of relevant KPIs and drove corrective action when required.
 - Gathered and communicated market and competitor intelligence, collaborating frequently with colleagues in Europe to best service large global customers.
 - Created and executed negotiation strategies and tactics in cooperation with the marketing team.

BRAND & SMALL BUSINESS GROWTH CONSULTANT

Self Employed

May 2018 – March 2020

- Consulted with consumer packaged goods startups, including Best of Organic ("Dr. Kellyann"), before joining that team full time and later resuming and expanding the consulting practice with additional clients. Services provided:
- Analysis of current marketing strategies and goals.
 - Recommended and implemented solutions to increase sales funnels and revenue.
 - Distribution channel diversification.
 - Affiliate channel implementation and management.
 - Social media management and content creation.
 - Recommended and negotiated strategic partnership structures.
 - PPC search strategy and campaign implementation; managed Meta ad campaigns.
 - Loyalty platform implementation and optimization; development of influencer programs.

DIRECTOR OF STRATEGIC PARTNERSHIPS

Best of Organic LLC

May 2018 – November 2019

- Best of Organic is a startup direct-to-consumer CPG wellness brand. Relationship evolved from consulting to full-time employment through company acquisition.
- Supported entrance into the retail channel by establishing a partnership with CVS.
 - Entered the online wholesale channel by implementing a wholesale portal and identifying new business opportunities.
 - Implemented and grew an affiliate channel and influencer/ambassador program, accounting for 10% of total revenue (and growing) within the first six months.
 - Implemented a successful loyalty and referral program.

WORK EXPERIENCE (continued)

DIRECTOR OF MARKETING

CDMA

June 2014 – September 2018

CDMA is an association (founded 1926) serving regional and independent pharmacy chains, drug wholesalers, and c-store and grocery members. It owns and distributes Quality Choice, a private-label brand with 1,500+ SKUs, along with a branded program, warehouse, and 100+ drop-ship vendor partners. Hired as marketing coordinator, promoted to marketing manager, and then to director.

- Managed the marketing department and a team of 7–10 full-time and contract employees.
- Oversaw the planning and execution of the CDMA Annual Trade Expo and solicited participation in sponsorship programs.
- Served as Editor-in-Chief of *Spotlight Magazine*, a quarterly industry publication.
- Developed the yearly marketing budget and strategy.
- Led brand development for three private-label store brands and oversaw new item and product line launches.
- Oversaw all digital strategy including email, web, and social media marketing operations and traffic growth.
- Maintained supplier relationships and attended industry trade shows as both buyer and exhibitor.
- Served as category manager for "Equipment, Operations and Services" and created category reviews for top accounts.

MARKETING MANAGER

Harley Davidson

March 2014 – June 2014

- Oversaw all marketing and advertising functions including in-store promotions, public relations, social media, and website maintenance.
- Planned and executed events; managed all digital and print media.
- Developed yearly marketing strategy and managed the advertising and promotions budget.

ENGLISH LANGUAGE TEACHER & HR CONSULTANT

Various / Self Employed

2011 – 2014

Worked on a contract and project basis with a variety of companies and organizations globally.

- Business English teacher to corporate and government students in Tianjin, China, including private mentorship of the Vice Chairman for Labor Relations.
- Sales demo presenter for business English programs in TEDA, Tianjin.
- English language primary-school curriculum development, and teacher recruitment, onboarding, and training development in SongYuen, China.
- English teacher at immersive summer camp programs for children ages 5–16 across Taiwan, and in theatre-based immersion programs in Liguria, Italy.

EXECUTIVE ADMINISTRATIVE ASSISTANT

Impact Management Services

January 2008 – October 2011

Impact Management Services is a staffing firm focusing on workforce management, HR consulting, and payroll services.

- Worked directly for the President and CEO, assisting in multiple business ventures requiring a high level of confidentiality.
- Conducted legal and market research and supported new service development.
- Conducted weekly team-building activities and facilitated access to employee professional development resources.
- Managed scheduling, meetings, and employee records.

FLIGHT ATTENDANT

USA Jet Airlines, Inc.

January 2006 – January 2008

- Flight attendant for a private charter airline based out of YIP.
